GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

September 29, 2024
26th Sunday in Ordinary Time

Maggots, grubs, worms. When I imagine one or many of these nasty slimy buggers living inside my body — unseen, feeding off my flesh, slowly rotting me out — I feel deeply disgusted. If I knew I had a worm, I would do anything to remove the alien invader, and fast. But what if I couldn't ever get it out?

This is precisely the image Jesus uses to describe those who cause others to sin and fail to cut out what leads them to sin. He contrasts the kingdom of God with Gehenna, "where the worm does not die." If we can stomach it for a moment, there is much wisdom in this nauseating metaphor.

First, sin is always parasitic. It feeds on what is good like a worm in a host. It's not symbiotic or additive, as virtue and love always are. Sin invades, devours, and damages the sinner. Second, sin is always social. No matter how hidden, it quietly eats away at others — usually the most poor and vulnerable, the "little ones," as the Lord says. How healthy it is for us to acknowledge this! Our gossiping, greed, over-indulgence, lying, pride, laziness, lust for power and reputation, and so on ... they do not add anything to life. They are worms eating away at others and ourselves.

We cut out these filthy parasites through genuine repentance and bold action. Imagine the peace and relief that follows the removal of a sickening worm from your body. How much greater is the peace we enjoy when the spiritual worms are gone for good. We'd never wait to act against physical parasites. Neither should we with the worms of sin.

— *Father John Muir*

WORD OF LIFE

“Over the years, the FDA has bent the law and shown disregard for women’s health when it comes to chemical abortion. In 2000, mifepristone was first approved using an ‘accelerated’ review process that is supposed to be only for new drugs that treat serious illnesses and are better than existing treatments. But pregnancy is not an illness, and abortion drugs are riskier than surgical abortion.”

The Roman Catholic Diocese of
BATON ROUGE
OFFICE OF THE BISHOP

05 September 2024

Dear People of God of the Diocese of Baton Rouge:

The upcoming annual Continuing Formation Days for our priests are scheduled 07-10 October 2024. These days represent an important occasion for our priests' renewal and growth in intellectual and spiritual formation, emotional maturity, and physical well-being. Since these days are offered once a year and is a commitment by the diocese for their on-going formation, participation by our active priests is mandatory.

With the guidance of the Diocesan Presbyteral Council and Priests' Continuing Formation Committee, the site secured this year for these days is in Mobile, Alabama, and our parish priests will not be commuting back-and-forth to their parishes of assignment. Their temporary absence will affect certain regular pastoral ministries. In particular, the schedule of weekday Masses and possible times for funeral Masses may be impacted and adjusted in your parish during these Annual Formation Days. While this is a sacrifice, I consider this sacrifice worth making. Deacons can provide needed funeral rites, namely the vigil wake service, funeral without Mass, and rite of committal. If the local parish staff is unable to secure a deacon for this special funeral need, the parish staff may call the Office of the Vicar General (Fr. Jamin David) at 225.387.0561 for further assistance; Deacon Paul Soileau will assist with this coverage.

Thank you for understanding and supporting our priests with their ongoing formation renewal for ministry. I ask that you pray for our priests and our diocese during these days. I appreciate your affirmation and encouragement of our priests who give their lives for our diocese. May God be generous in leading us into the future with hope.

In Christ our Hope,

Michael G. Duca
